Do you have tires laying around the house or stuffed into a corner of your garage? Don't let those old tires get in your way or become an environmental hazard

## “Bring those tires to Cornfields Chapter.”

Cornfields Chapter officially opened its Tire Recycling Shop on November 17, 2017 with a Grand Opening. The shop is now manufacturing durable door mats of all sizes using recycled tires. This project also addresses part of the illegal tire dumping activities on the Navajo Nation.

### TEN REASONS TO BUY A MAT

- Cleans your shoes: Saves floors & carpets.
- Durable: Will last for years.
- Affordable: Our mats are not overpriced.
- Handmade: American quality.
- Attractive: Choices of colors.
- Comfortable: Non-slip surface.
- Self-cleaning: Every time it rains.
- Never stays wet: Cannot saturate
- Heavy wind won't blow it away.
- Recycled tires: Saves Navajo Nation landfills.
